 OUR FULLY TRAINED THERAPISTS

SKIN BY JESSICA LUISE

Offers skin analysis, written treatment reports and homecare plans. This complimentary service ensures we can cater to your own individual skin condition, as every skin is truly unique.

Every treatment prescribed is results-driven and delivered by a qualified therapist with years of industry experience.

Our therapists offer the ultimate results, using the latest technological equipment and advanced skincare.

MICRODERMABRASION & SKIN THERAPY

A non-invasive skin rejuvenation treatment, using an abrasive tip to abrade the upper most layers of the skin to reveal a smoother, brighter, and clearer complexion. A great treatment for scarring, acne, pigmentation, opens pores, fine lines and wrinkles as well as dull and sallow skin. Microdermabrasion can also be combined with any other skin treatments for maximum results.

- Face \$95
- Face, Neck & Décolletage \$145
- Skin Treatment Peels from \$99
- Add a skin treatment peel to facial for an extra \$35

- Individually Catered Facials from \$95.00

Infusing active vitamins and antioxidants for superior results; our treatment facials are very relaxing and include: Lymphatic draining and massage on face, neck, shoulders, décolletage, scalp and hands.

SUPER SKIN REJUVENATION

- Full Face 45mins \$189
- Add Neck \$79
- Add Neck and Décolletage \$179
- Pre Paid Package of 3 SSR treatments \$470
- Prepaid Package of 3 SSR with Neck and Décolletage \$850

ULTRASONIC LIPOSUCTION

Prices Start from \$50 depending on the size of the area. Everyone is different so we offer a complimentary consultation and quote.

- Arms
- Back (side/bra area)
- Waist
- Stomach
- Hips
- Inner Thigh
- Outer Thigh
- Thighs
- Buttocks
- Double Chin

Please contact us to book an appointment for your complimentary consultation and to discuss prices.

NON SURGICAL FACE LIFT

If you want to look younger, tighten your skin and smooth your facial contours through non-operative and non-invasive ways this is the treatment for you. The RF Non-surgical facelift is a non-invasive and a pain-free treatment that is completely safe for your skin.

The radio frequency increases blood flow, heats and shrinks fibrous tissues and stimulates collagen production.

Collagen production can continue for up to 6 months post treatment course and results can last between 2-5 years

Also great results seen when treating post baby tummy and loose skin left behind from weight loss.

We have both Bi Polar RF technology and Fractional RF technology depending on your skin needs

- RF Non Surgical Facelift \$145 to \$285
- Including Neck and Décolletage \$225 to \$355
- RF Skin and Body Firming Treatment from \$80
